## PERSONAL STATEMENT

I'm a 24 years old Web Application Developer, I have a passionate interest in everything related to Computer Science. thus, I have started my journey to teach myself how to write code. I have been interesting the whole process even when I felt some confusion about something I couldn't understand.

I am looking forward to improving my skills in order to be a World Class Developer. and such a dream does not come loose. in my case, I am at the beginning. so, I know that I still have a lot to learn.

## TESTIMONIALS

Malcolm Miles  
USA

"Tremendous contractor! Excellent communicator, who is flexible, extremely skilled and detail-oriented. He went above and beyond to finish this task for us. We will definitely work with Mahmoud again"

STEFANIE SIEBEN  
GERMANY

"Fast working and very engaged work. My page looks great now and I got lot's of new ideas from Mahmoud. He improved my page and guided me through in order to make me able to handle content changes by myself later on. I highly recommed his work"
